

International Gulf Trading Company WLL (**IGTC W.L.L**), a member of **Al Mana International Holding**, was founded in the 1970's and quickly gained its reputation as a leader in the fire and security industry through its outstanding service, quality products, and dedicated staff.

As its strategic plan **IGTC W.L.L** focuses on being the leaders in the region for the products and services provided by focusing on the needs and expectations of our customers. **IGTC W.L.L** ensures that there is an effective planning and execution for providing its products and services to its customer.

For maintaining its reputation and reliability, **IGTC W.L.L** have implemented an integrated management system (IMS) which applies to the activities of manufacturing of portable fire extinguishers, supplying, designing, installation, servicing and repair of fire and security systems as well as trading of, health and safety inspection equipment for the oil and gas industry, commercial and government sectors.

IGTC W.L.L is committed to improve the effectiveness of the established IMS by committing to,

- Timely delivery of its products and services to its customers.
- Making its business processes error free and hassle free
- Identifying and meeting the needs and expectations of the interested parties
- Identifying and implementing objectives based on risk assessment and need for improvement
- Complying with all the relevant legal and other requirements to which it adheres to
- Providing a safe and healthy working environment to its employees and other relevant parties involved as well as with a commitment for prevention of work related injury and ill health
- Protecting the environment, including prevention and control of pollution by establishing and implementing action plans and international best practices.
- Ensuring worker consultation participation and consultation in all the key processes
- Identifying and controlling its significant aspects, occupational health and safety hazards, and controlling OH&S risks with support from management, process owners & employees.
- Continual improvement of the IMS to enhance its performance.
- Adhere to the requirements of PED 2014/68/EU Module E and Kitemark to produce acceptable by the Certification body and Consumer

IGTC W.L.L shall also

- Communicate the importance and relevance of this policy statement to all its employees and make available to all interested parties.
- Ensure improvement of awareness and competency of its employees within the IMS
- Review the IMS yearly, including the QHSE policy based on requirements of ISO 9001:2015, ISO 14001:2015, ISO 45001:2018 and business needs for adequacy, suitability and effectiveness
- Ensure that the IMS is well understood, implemented and maintained for improvement in all levels of the organization

The QHSE policy remains applicable to all employees, contractors, sub-contractors and other interested parties prevailing under our influence.
